Here are the credit card numbers that I have so far to guarantee the hotel rooms. A few people don't have their official cards yet.

Hi Mark and thank you

I will give your credit card to the hotel to hold the rooms until you get all the others and then send it to me in one shot. I would like to have all the credit card info by the end of next week

Thank you

Hi Ex. 6 - Personal Privacy

How do you prefer to handle the credit card information? Do you want the individuals to send you separately, or do you prefer that we collect it all in one document to send you? If separately, here is my information.
